

### Session 2: November 3 – December 15, 2024

10:45 am

**Option #1**

**Walking With Others**

**Teacher:**

*Pastor Dawson Hanson*

**Location:**

*North Auditorium*

**Summary:**

Do you ever feel too ordinary to help others in a meaningful way? Are you overwhelmed by the great needs that you see around you? God has designed us to support each other in both day-to-day life and in acute seasons of trial. We may feel unqualified to carry the burdens of others, but God uses ordinary people like us to do extraordinary things for his kingdom. Some of the goals of this class: to identify obstacles that keep us from helping others; to equip us to offer support and godly encouragement to those going through trials; and to grow in our willingness to accept care from others.

**Option #2**

**Battling the Enemy (Women's Class)**

**Teacher:**

*Karen Winters*

**Location:**

*Upper Room*

**Summary:**

Every child of God is in a battle with an unseen enemy. Do you know how he operates and how to stand against him? We will open the Scriptures to find answers to the following questions: Who is our enemy? What are his strategies? How might I give him ground? How do I resist him? How do I put on the armor of God? And how do I pray to combat the enemy? The goal of this class is to equip women to experience greater spiritual victory.

**Summary:**

In this class students will have the chance to work on their English skills while we study the Bible together. This year we will study a book of the Bible called Luke.
